

Come To Sacramento, CA

What better place to have our First Annual California Christmas Lights Workshop & Expo than the State Capitol of California!

Convenient hourly flights in and out of Sacramento from all the best airline carriers!

Special accommodation rates at the Red Lion Inn. Stay right where the Workshop & Expo is held!

Come Warm Up For the Holidays!

Participants who come to California will enjoy a sharing and learning experience like no other! Included in your participant package is a dinner banquet on Saturday night. Our Expo will feature the largest gathering of Christmas Vendors the West Coast has ever seen! Along with the workshops, you'll have access to demonstrations, special discounts and prizes offered to expo participants. Register Today!

WORKSHOP & EXPO

CALIFORNIA CHRISTMAS LIGHTS

This is your invitation to California's biggest, brightest, best and only Christmas Lights Workshop and Expo! Join us Memorial Weekend, May 23rd and 24th and learn from our talented instructors, the very latest techniques to make your Christmas display dazzle!

JOIN US IN CALIFORNIA

*You asked for it . . . and now it's happening.
The First Ever Christmas Lights
Workshop & Expo in California*

*There has never been a
Christmas Lights
Workshop of this kind
held on the West Coast.
Don't miss your chance
to make new friends and
learn from the experts on
how to set your display
apart from the crowd.*

LEARN FROM THE EXPERTS

Our talented instructors will show you creative, fun, inexpensive and easy ways to make your holiday display stand out from the crowd! Have you always wanted to learn how to turn your static display into a Christmas display that dances to music? We will have vendors and instructors who will help you with that. Did you just buy a Light-O-Rama or Animated Lighting package for your display? Our team of instructors will help you get the most out of them. Have you been decorating and animating your displays for a while now? We'll have classes for the more Advanced Decorators as well! We'll have classes and workshops in . . .

- From Static to Dynamic Lighting Animation
- Beginning and Advanced Musical Sequencing
- Inserting Voiceovers
- Video Editing and Taping Your Display
- Understanding Electricity and Power Needs
- Working With Coroplast
- Building and Lighting Wireframes
- PVC Elements
- Trees! Mega-Trees, Mini-Trees, Z-Trees
- Blowmolds and Restoration
- LED's and Rope Lighting
- Plywood Cutouts, and Painting
- Creating Leaping Arches
- Water Displays
- When to Seek a Professional
- Security and Protecting Your Elements
- Simple Soldering and Welding
- Plus Much, MUCH MORE!!!

All these Workshops, plus the Vendor Expo and Dinner Banquet for a ridiculously low registration fee! But you **MUST** register. Visit <http://Workshop.CaliforniaChristmasLights.com> and take advantage of our Early Registration Discount. Hope to see you in the Golden State, Memorial Weekend, May 23rd and 24th, 2009!
